Last First Middle Number on bottom of ID card

Home Address _____
Number & Street Apt # City State Zip

Rev. 12.09 lrb

New York State Public Health Law 2165 requires post-secondary students to show protection against measles, mumps and rubella. Persons born prior to January 1, 1957 are exempt from this requirement. An MMR vaccine is recommended for all measles vaccine doses to provide increased protection against all three vaccine-preventable diseases: measles, mumps and rubella.

PLEASE NOTE:

A LEGIBLE copy of an immunization record from a previous school attended (college, university) or a childhood immunization record will be acceptable proof of immunization if it clearly contains the required information.

REQUIRED: Measles (Rubeola) Immunity – Must have ONE of the following:

- A. TWO dates of measles Immunization: (1) _____ (2) _____
Both dates must be given after 1967; the first immunization after the first birthday and the second on or after 15 months of age.
- B. Date of Measles Titer _____ Results: _____
- C. Date of physician diagnosed measles disease _____
Signature of diagnosing physician _____

REQUIRED: Rubella (German Measles) Immunity – Must have ONE of the following:

- A. Date of at least one rubella immunization: (1) _____ (2) _____
(Must be on or after the first birthday)
- B. Date of Rubella Titer _____ Results _____
Physician diagnosis is not acceptable.

REQUIRED: Mumps Immunity – Must have ONE of following:

- A. Date of at least one mumps immunization: (1) _____ (2) _____
(Must be on or after the first birthday)
- B. Date of Mumps Titer _____ Results _____
- C. Date of physician diagnosed mumps disease _____
